

SOUTHWESTERN ALABAMA  
AMATEUR RADIO EMERGENCY SERVICE (ARES)

**Emergency Net Script**

Attention all stations this frequency; attention all stations this frequency; this is CALL SIGN My name is YOUR NAME and I am the net control station (NCS) for the emergency now on-going in our area. This is a DIRECTED NET, all station must have the NCS permission to enter and exit this net.

The purpose of this net is **State the nature of the net i.e. “resource”, “shelter” etc.** All stations will be called in an orderly fashion, as each station check-ins, they will be directed to another net or duty assignment as needed by the Mobile County Emergency Management Agency and as their license and equipment capability are taken into consideration. Those stations who capabilities that are not known will be logged into the net and given assignments as time permits.

At this time we will take check-ins in order of call sign. Do not call in until your call sign matches the letter being called for, example; those call signs starting with the letter “A”, “K”, “N” or, “W”. At this time we will take check-ins from stations beginning with the letter starting with “A” one at a time, please come now.

**Take check-ins and make what assignments as possible, keep list of unassigned stations.**
